INDEPENDENT AUDITORS' REPORT

To the Board of Directors
The Army of Survivors
Okemos, MI

Opinion

We have audited the accompanying financial statements of The Army of Survivors (a not-for-profit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Army of Survivors as of June 30, 2022 and 2021, and the changes in net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Army of Survivors and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Army of Survivors' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Army of Survivors' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Army of Survivors' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The Army of Survivors', Inc. (the "Organization"), mission is to bring awareness, accountability, and transparency to sexual violence against athletes at all levels.

Basis of accounting

The financial statements of the Organization are accounted for using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP) for nonprofit organizations.

Cash

Cash consists of demand deposits in banks.

Contributions receivable

Contributions receivable are recorded at their net realizable value. All receivables are due within one year. The Organization does not require collateral and expects all receivables to be fully collectible. Therefore, no allowance for doubtful accounts is recorded.

Revenue recognition

In accordance with GAAP, contributions received are recorded as support with donor restrictions or support without donor restrictions depending on the existence or nature of any donor restrictions. If the Organization has to overcome a barrier and there is a right of return on the funds, a conditional contribution exists. The Organization did not have any conditional contributions as of June 30, 2022 and 2021.

Federal income taxes

The Organization is a nonprofit corporation and has been granted exemption from income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC). The Organization is not classified as a private foundation.

The IRC requires that tax-exempt organizations must comply with federal tax law to maintain tax-exempt status and avoid penalties. The Organization is subject to a tax on income from any unrelated business. The Organization has no unrelated business income as defined by Section 509(a)(1) of the Code.

Functional expense allocation

Expenses identified as applying to a specific program or supporting service are directly recorded in the appropriate service area as incurred. Wages and related expenses are allocated using an estimate of time and effort. Expenses not directly attributable to a program or supporting service are allocated between service areas based upon an estimate of actual activity.

Advertising

The Organization expenses advertising costs as incurred. As of June 30, 2022 and 2021, the amount charged to advertising expense was \$28,109 and \$1,303, respectively.

Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial statement presentation

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. Donor restrictions that are met in the same period that they are received are reported within net assets without donor restrictions.

Net assets with donor restrictions - Net assets subject to donor or grantor imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Organization did not have any net assets with perpetual restrictions as of June 30, 2022 and 2021.

Concentrations

Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash investments with Federal Deposit Insurance Corporation (FDIC) insured financial institutions. At June 30, 2022 and 2021, the Organization is subject to deposits of \$15,016 and \$22,337 in excess of FDIC insured limits, respectively.

As of June 30, 2022, the organization received 76% of its support from one donor, and there were no contributions receivable. For the year ended June 30 2021, the organization received 89% of its support from one donor and all of the Organization's contributions receivable were from one donor.

Subsequent events

The Organization has evaluated events and transactions for potential recognition or disclosure through November 11, 2022, the date on which the financial statements were available to be issued.

2. RISKS AND UNCERTAINTIES:

The effects of the pandemic resulting from the novel coronavirus, known as COVID-19, have had significant effects on all aspects of the economy. The extent of the impact of COVID-19 on the Organization's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak. Impact on the Organization cannot be predicted, and the extent to which COVID-19 may impact the Organization's financial condition or results of operations is uncertain at this time.

3. NET ASSETS – WITH DONOR RESTRICTIONS:

The Organization's net assets with donor restrictions for the year ended June 30, 2022 and 2021 are summarized in the table below:

	<u>2022</u>	<u>2021</u>
Specific Purpose		
Compassionate coach program	\$ 25,000	25,000
Passage of Time		
Supporting survivors of sexual abuse in sports	<u> -</u>	<u>207,000</u>
Donor restricted net assets, June 30	\$ <u>25,000</u>	<u>232,000</u>

4. LIQUIDITY:

The Organization is substantially supported by grant contributions. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Organization must maintain sufficient resources to meet those responsibilities to its donors. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Organization's financial assets available within one year of the statement of financial position date for general expenditure are as follows as of June 30:

	<u>2022</u>	<u>2021</u>
Cash	\$ 265,016	272,337
Contributions receivable	<u> -</u>	<u>207,000</u>
	265,016	479,337
Restricted by donors with time or purpose restriction	<u>(25,000)</u>	<u>(232,000)</u>
Financial assets available to meet cash needs for general expenditure within one year	\$ <u>240,016</u>	<u>247,337</u>

5. EMPLOYEE BENEFIT PLAN:

The Army of Survivors, Inc. provides a 401k retirement program for eligible full-time employees after one year of employment. The organization makes discretionary contributions to the plan. Plan contributions and plan expenses for the years ended June 30, 2022 and 2021 were \$0.
